Machine Learning: RoadMap🏄

MATHEMATICS:

Khan Academy Courses:

- [**Linear Algebra | Khan Academy**](#)
- [**Multivariable Calculus | Khan Academy**](#)
- [**Differential Equations | Khan Academy**](#)
- [**Statistics and Probability | Khan Academy**](#)

PYTHON:

- **FreeCodeCamp - Python Course.**

LIBRARY:

- **Numpy**
- **Pandas**
- **MathPlotLib**

MachineLearning:

- **AndrewNg - Course on supervised and unsupervised learning**
- **Kaggle learning**

DeepLearning:

- **TensorFlow**
- **Pytorch**
- **Books : Deep Learning From Scratch: Building with Python from First Principles by Seth Weidman, Neural Networks and Deep Learning by Michael Nielsen.**

Further:

- **Research Paper**
- **Industry Experience.**
- **Peer to peer learning.**
